Furthermore, each of the Company's directors, Joe Sollee and Ron Kalfus, each such person acting individually and with possibility of sub-delegation and the power of subrogation, shall have the power, upon exercise of the 2023 Share Options, (i) to proceed with the recording of (A) the capital increase and issue of new shares resulting from such exercise, (B) the allocation of the share capital and (as applicable) the issue premium, and (C) the amendment of the Company's articles of association in order to reflect the new share capital and number of outstanding shares following the exercise of the 2023 Share Options, (ii) to sign and deliver, on behalf of the Company, the relevant Euroclear, Euronext and bank documentation, the share register and all necessary documents in connection with the issuance and delivery of the shares to the beneficiary, and (iii) to do whatever may be necessary or useful (including but not limited to the preparation and execution of all documents and forms) for the admission of the shares issued upon the exercise of the 2023 Share Options to trading on the regulated market of Euronext Brussels (or such other markets on which the Company's shares will be trading at that time).
- (h) Waiver: The general shareholders' meeting acknowledges that the 2023 Share Options to be granted under the "2023 Share Option Plan" shall not be considered "variable remuneration", "fixed remuneration" or "annual remuneration" within the meaning of the Belgian Companies and Associations Code (including, without limitation, for the purpose of articles 3:6, §3, 7:89/1, 7:90, 7:91, 7:92, 7:100, 7:108 and 7:121 of the Belgian Companies and Associations Code) and the 2020 Corporate Governance Code (including, without limitation, for the purpose of provision 11 of the 2020 Corporate Governance Code). - (i) Approval in accordance with article 7:151 of the Belgian Companies and Associations Code: The general shareholders' meeting resolves to take note, approve and ratify, insofar as required in accordance with article 7:151 of the Belgian Companies and Associations Code, all clauses included in the Plan, which come into effect at the moment a change of control occurs and which fall or could be considered to fall within the scope of article 7:151 of the Belgian Companies and Associations Code (relating to the granting of rights to third parties that substantially affect the Company's assets and liabilities, or give rise to a substantial debt or commitment on its behalf, when the exercise of these rights is subject to the launching of a public takeover bid on the shares of the Company or to a change in the control exercised over it), including, without limitation, the automatic accelerated vesting mechanism upon acquisition as defined in the Plan. 3. Submission of the special report of the board of directors in accordance with article 7:199 of the Belgian Companies and Associations Code relating to the proposal to renew the authorised capital

Consideration, discussion and submission of the special report of the board of directors in accordance with article 7:199 of the Belgian Companies and Associations Code relating to the proposal to renew the powers granted to the board of directors under the authorised capital, as set out below in item 4 of the agenda of the extraordinary general shareholders' meeting, and setting out the specific circumstances in which the board of directors will be able to use its powers under the authorised capital, and the purposes that it should pursue.

4. Renewal of the authorisation to the board of directors to increase the share capital within the framework of the authorised capital

In order to allow the board of directors the flexibility to raise additional equity-based financing as and when the need may arise or an opportunity would present itself, the board of directors proposes that it be granted limited powers under the authorised capital to increase the Company's share capital by a maximum amount of 100% during a term of five (5) years, all as further set out below. For further information on the circumstances in which the board of directors could make use of the authorised capital and the objectives that the board of directors would pursue with the authorised capital, see also the special report referred to in item 3 of the agenda of the extraordinary general shareholders' meeting.

Proposed resolution: The general shareholders' meeting resolves to renew the authorisation to the board of directors to increase the share capital in one or several times, during a period of five (5) years as from the publication in the Annexes to the Belgian Official Gazette of this authorisation, with an aggregate amount equal to up to 100% of the amount of the share capital of the Company, and this in accordance with the terms and conditions set forth in the special report of the board of directors prepared in accordance with article 7:199 of the Belgian Companies and Associations Code, as referred to in agenda item 3 of this extraordinary general shareholders' meeting. Consequently, the general shareholders' meeting resolves to delete article 6 "Authorised capital" of the articles of association of the Company entirely and to replace it with the following text (whereby the date referred to in the sub-section between square brackets shall be the date of the general shareholders' meeting approving the renewed authorised capital, and the amount referred to in the sub-section between brackets shall be the amount of the Company's share capital at the time of the general shareholders' meeting approving the authorised capital):

"Article 6: Authorised capital

The board of directors is authorised to increase the share capital of the company on one or several occasions by a maximum aggregate amount of [100% of the company's share capital at the time of the adoption of the new authorised capital].

The board of directors may increase the share capital by contributions in cash or in kind, by capitalisation of reserves, whether available or unavailable for distribution, and capitalisation of issue premiums, with or without the issuance of new shares, with or without voting rights, that will have the rights as will be determined by the board of directors. The board of directors is also authorised to use this authorisation for the issuance of convertible bonds or subscription rights, bonds with subscription rights or other securities.

This authorisation is valid for a period of five years as from the date of publication in the Annexes to the Belgian Official Gazette of an extract of the minutes of the extraordinary general shareholders' meeting of the company held on [date of the general shareholders' meeting approving the authorised capital].

In the event of a capital increase decided by the board of directors within the framework of the authorised capital, all issue premiums booked, if any, will be accounted for in accordance with the provisions of these articles of association.

The board of directors is authorised, when exercising its powers within the framework of the authorised capital, to restrict or cancel, in the interest of the company, the preferential subscription rights of the shareholders. This restriction or cancellation of the preferential subscription rights can also be done in favour of members of the personnel of the company or of its subsidiaries, or in favour of one or more persons other than members of the personnel of the company or of its subsidiaries.

The board of directors is authorised, with the right of substitution, to amend the articles of association, after each capital increase that has occurred within the framework of the authorised capital, in order to bring them in conformity with the new situation of the share capital and the shares."

Quorum: As this extraordinary general shareholders' meeting constitutes the second extraordinary general shareholders' meeting for the aforementioned agenda items, no quorum is required for the deliberation and voting on the items referred to in the aforementioned agenda.

Voting and majority: Subject to applicable legal provisions, each share shall have one vote.
