1.4. **Fractional value:** For the purpose of these Conditions, the fractional value (*fractiewaarde / pair comptable*) of the Company's Shares from time to time shall be determined as a fraction, (a) the numerator of which is the amount of the Company's share capital at that time, and (b) the denominator of which is the aggregate number of actually issued and outstanding Shares of the Company at that time.

1.5. **Language:** The Conditions were drawn up in English, after which a French translation was prepared. 2. NATURE AND FORM OF THE WARRANT

2.1. **Nature of the Warrants:** Each Warrant has been issued in the form of one subscription right (*inschrijvingsrecht / droit de souscription*), subject to the terms of these Conditions, which are binding upon the Company and each Holder. A total of three million (3,000,000) Warrants has been issued.

2.2. **Subscription right:** Subject to, and in accordance with, the terms and conditions set forth in these Conditions, each Warrant confers the right (but not the obligation) on the Holder thereof to subscribe, upon exercise of the Warrant, for one (1) new Share to be issued by the Company (as may be adjusted and/or substituted pursuant to section 6 of the Conditions) against payment in cash of the Exercise Price of the Warrant (as may be adjusted pursuant to section 6 of the Conditions).

2.3. **No shareholder rights:** The Holder of a Warrant is not a shareholder of the Company solely by virtue of holding the Warrant, and therefore does not have the rights of a shareholder in relation to the Shares to be issued or delivered to the holder of the Warrant upon an exercise of the

Warrant until the exercise of the Warrant and the issue and delivery of the relevant Shares. A Holder will, however, have the right to attend general shareholders' meetings of the Company to the extent permitted by applicable law.

- 2.4. Form: The Warrants are in registered form. In accordance with applicable law, the ownership and rights to a Warrant is recorded in a warrant register book, which is kept at the registered office of the Company. The Warrants cannot be converted into a bearer instrument or in dematerialized form. At the request of a Holder, the Company shall confirm in writing the number of Warrants held by such Holder by means of a confirmation substantially in the form of Schedule 1.
- 2.5. No listing: The Warrant shall not be listed at any time on a securities exchange, regulated market, multilateral trading facility or similar securities market.
- 2.6. Transferability of the Warrant: Except if the Company were to explicitly allow a transfer of the Warrants, the Warrants cannot be transferred by a Holder.

3. **TERM OF THE WARRANT**

The Warrants have a Term starting as from their issuance and ending on (and including) 18:00 hours on the Expiration Date. A Warrant automatically expires and becomes invalid (*caduque*) by operation of law on 18:00 hours on the Expiration Date, unless it is exercised prior to such time by the Holder thereof in accordance with the terms and conditions set forth in these Conditions.

4. **SHARES ISSUABLE UPON EXERCISE OF THE WARRANTS**

The Shares to be issued upon each exercise of the Warrants shall have the same rights and benefits as, and rank *pari passu* in all respects including as to entitlement to dividends and other distributions, with the existing and outstanding Shares at the moment of their issue and will be entitled to dividends and other distributions in respect of which the relevant record date or due date falls on or after the date of their issue.

5. **EXERCISE OF THE WARRANTS**

- 5.1. Right to exercise: Each Warrant can be exercised at any time as from [●], 2026¹ until the expiry of the Term, provided that a number of Warrants with an aggregate Exercise Price of at least USD 500,000 are exercised by the Holder. The exercise of a Warrant following the Expiration Date shall be considered void.
- 5.2. Limitations on exercises. To the extent any Warrant is not exercised earlier, such Warrant will lapse and terminate immediately at 18:00 hours on the Expiration Date, without further notice, and the rights to exercise the Warrants shall be of no further force or effect whatsoever thereafter.
- 5.3. Exercise Notice: The Warrants can only be exercised by means of a duly completed and signed written notice substantially in the form of Schedule 2 (the "**Exercise Notice**"). The Exercise Notice must be served on the Company in accordance with the provisions of section 9.4. The date on which the Exercise Notice shall have been served (or be deemed served) on the

¹ Note to Holder: The exercise period shall start on the date of the issuance of the warrants (i.e., the date of the EGM at the occasion of which the warrants will be issued). Prior to the EGM, the warrants will not be issued and therefore not exercisable. Prior to the EGM, Exact relies on the contractual right provided for under the Amendment.

Company pursuant to section 9.4 shall be the exercise date of the relevant Warrants (the "**Exercise Date**"). The Exercise Date must fall within the Term.

- 5.4. Payment of the Exercise Price: Upon the exercise of a Warrant, the applicable Exercise Price must be paid in cash by means of a wire transfer of such amount in immediately available funds in USD to the special account of the Company that shall be notified by the Company to the Holder of the Warrant (the "**Exercise Account**"). The Company shall, as promptly as practicable and in any event no later than one (1) Business Day after the Exercise Date of a Warrant, notify the Holder of the Warrant of the details of the relevant Exercise Account via email to the address mentioned in the Exercise Account. If the applicable Exercise Price of a Warrant is not paid in accordance with the foregoing provisions and received by the Company on the Exercise Account prior to 16:00 hours on the third (3rd) Business Day following the Exercise Date, the Warrant shall be deemed not to have been exercised. Should the Company's share capital be expressed in euro in the Company's articles of association, for the purpose of the capital increase and the amendment of the Company's articles of association resulting from the exercise of Warrants, the amount equal to the relevant aggregate Exercise Price for such Warrants exercise shall be converted into euro on the basis of the relevant USD/EUR exchange ratio as shall be published by the European Central Bank ("**ECB**") on https://www.ecb.europa.eu/stats/policy_and_exchange_rates/euro_reference_exchange_rates/html/index.en.html (or such other relevant website of the ECB) (the "**Exchange Rate**") on the second (2nd) Business Day preceding the date of the relevant notarial deed in which the issuance of the relevant new Shares and the corresponding capital increase are established (or such other reference date designated in prior notice by the Company from time to time to the relevant Holder, as the case may be), and whereby the final amount in euro will be rounded down to the nearest two decimals.
- 5.5. No exercise for fractions of Shares: The Warrants can only be exercised for a whole number of Shares, and not with respect to fractions of Shares. If as a result of an adjustment pursuant to section 6 of the Conditions a Warrant were to give the right to subscribe for a fraction of a Share, the Warrants can be exercised in an aggregated manner by the Holder thereof in such a manner that the number of Shares issuable upon exercise of the Warrants concerned (including the relevant fractions of a Share) shall be aggregated, but rounded down to the nearest whole number of Shares.
- 5.6. Issue and delivery of the Shares: The Company shall only be obliged to issue Shares upon an exercise of a Warrant provided that (a) the exercise complies with sections 5.1 and 5.2, (b) the relevant Exercise Notice has been served upon the Company in accordance with section 5.3, and (c) the applicable aggregate Exercise Price has been paid in accordance with the provisions of section 5.4. Subject to the foregoing, the Company shall issue and deliver the relevant Shares as soon as practicable, but in any event no later than 18:00 hours on the fourteenth (14th) Business Day after the Exercise Date (the "**Delivery Date**").
- 5.7. Form of the Shares: The Shares to be delivered upon the exercise of the Warrants shall be delivered in registered form and recorded in the component of the Company's share register that is maintained in the United States with the Company's transfer agent and registrar in the United States, as the case may be in accordance with the delivery instructions set out in the Exercise Notice. It shall be sufficient that the relevant form(s) shall have been duly and validly completed and submitted by the Company with the Company's transfer agent and registrar in the United States, as the case may be in accordance with delivery instructions set out in the Exercise Notice, by 18:00 hours on the Delivery Date, for delivery of the relevant Shares. Due and valid completion and submission of the aforementioned form(s), as the case may be in accordance with delivery instructions so given shall qualify as settlement of the delivery of the relevant Shares. The Company shall not be responsible for the subsequent actions of the Company's transfer agent and registrar in the United States required to complete the delivery of the relevant Shares with the relevant Holder.

- 5.8. Capital increase: In accordance with applicable law, upon the exercise of Warrants, the capital increase and issue of new Shares resulting therefrom shall be formally recorded before a notary public by one or more authorized representatives of the Company.
- 5.9. Allocation of the Exercise Price: Upon the exercise of Warrants and the issue of the relevant new Shares pursuant to these Conditions, the applicable aggregate Exercise Price shall be allocated to the share capital of the Company. If the amount of the applicable (as the case may be converted) Exercise Price per Share issued is greater than the fractional value of the existing Shares immediately prior to the capital increase, then the applicable aggregate Exercise Price shall be allocated in such a manner that per Share issued (i) a part of the applicable aggregate Exercise Price equal to the fractional value of the existing Shares immediately prior to the capital increase shall be booked as share capital, and (ii) the balance of the applicable aggregate Exercise Price shall be booked as issue premium. Such issue premium shall be accounted for on the liabilities side of the Company's balance sheet as net equity. The account on which the issue premium shall be booked shall, like the share capital, serve as the guarantee for third parties and, save for the possibility of a capitalization of those reserves, can only be reduced on the basis of a valid resolution of the general shareholders' meeting passed in the manner required for an amendment to the Company's articles of association. Following the issue of new Shares and the capital increase resulting therefrom, each of the Shares (existing and new) shall represent the same fraction of the Company's share capital.
- 5.10. Further information: Upon receipt of the Exercise Notice in relation to a Warrant, the Company may request the Holder of the relevant Warrant in writing to provide to the Company with such further declarations and documents, which are reasonably necessary to allow the Company to comply with all applicable legal and regulatory provisions in connection with the exercise of the Warrant and the issue or delivery of the Shares resulting therefrom.
- 5.11. Listing of the Shares: Provided that the Holder has provided the necessary delivery instructions set out in the Exercise Notice in due time, the Company will procure, at its sole expense, that, upon exercise of Warrants, the Shares issuable upon exercise of such Warrants be admitted to trading and listing on any principal stock exchange or other trading platform on which the Company's other Shares are then admitted to trading and listing. Provided that the Holder has provided the necessary delivery instructions set out in the Exercise Notice in due time, the Company will use its reasonable best efforts to ensure that the Shares issuable upon exercise of Warrants may be issued without violation of any applicable law or regulation or of any requirement of any securities exchange on which the Company's other Shares are then listed or traded.
- 5.12. Confirmation of Shares: Upon the written request of a Holder (but not more than once during any calendar quarter), the Company shall, within three (3) Business Days, confirm to a Holder the number of their outstanding Shares. Furthermore, upon the written request of the Company (but not more than once during any calendar quarter), a Holder shall promptly confirm to the Company their then current beneficial ownership with respect to the Company's Shares.

6. ADJUSTMENTS TO THE SHARES AND THE EXERCISE PRICE

- 6.1. Splits and reverse splits: If the Company subdivides its Shares into a greater number of Shares, the number of Shares issuable upon exercise of the Warrants pursuant to the Conditions shall be proportionately increased, and the Exercise Price shall be proportionately reduced. If the Shares are reduced, combined or consolidated into a lesser number of Shares, the Exercise Price shall be proportionately increased and the number of Shares issuable upon exercise of the Warrants pursuant to the Conditions shall be proportionately reduced.
- 6.2. Reclassification, exchange, combinations or substitution, etc.: Upon any event whereby all of the Shares are reclassified, exchanged, combined, substituted, or replaced for, into, with or by Company securities of a different class and/or kind, then from and after the consummation of

such event, each outstanding Warrant will be exercisable for the number, class and kind of Company securities that the Holder thereof would have received had the Shares issuable upon exercise of such Warrant been issued and outstanding on and as of the consummation of such event, and subject to further adjustment thereafter from time to time in accordance with the provisions of these Conditions. Following such an event, the terms of these Conditions shall apply *mutatis mutandis* with respect to such other Company securities. The provisions of this section 6.2 shall similarly apply to successive reclassifications, exchanges, combinations, substitutions, replacements or other similar events.

- 6.3. No other adjustments: Notwithstanding article 7:71 of the Belgian Companies and Associations Code, the Company may proceed with all actions that it deems appropriate in relation to its capital, its articles of association, its financial condition or its management, even if such actions would lead to a reduction of the benefits allocated to a Holder, including but not limited to mergers, acquisitions, capital increases or reductions (including those subject to a condition precedent), incorporation of reserves in the capital with issuance of new shares, the distribution of dividends, the issuance of subscription rights, convertible bonds or other securities entitling its holder to subscribe for or acquire shares or other securities of the Company, the amendment of arrangements or provisions relating to the distribution of profits or liquidation proceeds (except if an amendment to the arrangements or provisions relating to the distribution of profits or liquidation proceeds would result in all of the then outstanding and existing Shares having preferred rights relating to the distribution of profits or liquidation proceeds as compared to the Shares to be issued upon exercise of the Warrants). Should the rights of a Holder with respect to the Warrants of such Holder be affected by such decision or transaction, then the Holder shall not be entitled to a change of the Exercise Price, a change of the exercise conditions or any other form of (financial or other) compensation, unless specifically provided for in sections 6.1 and 6.2 of these Conditions.
- 6.4. Notice as to adjustments. Upon each adjustment of the number of Shares issuable upon exercise of the Warrants pursuant to the Conditions, substitution of such Shares, or adjustment of the Exercise Price in accordance with this section 6, the Company shall notify the Holder in writing in accordance with the provisions of section 9.4 within a reasonable time setting forth the relevant adjustment and facts upon which such adjustment is based.

other exemption under the US Securities Act for the reoffer, resale, pledge or transfer of Warrants and Shares issuable pursuant to the Conditions.
